WALKING ON WATER - Olaf heard a rumor that his father, grandfather and great-grandfather had all walked on water on their 21st birthdays. So, on his 21st birthday, Olaf and his good friend Sven headed out to the lake. "If they did it, I can too!" he insisted. When Olaf and Sven arrived at the lake, they rented a boat and began paddling. When they got to the middle of the lake, Olaf stepped off of the side of the boat... and nearly drowned. Furious and somewhat shamed, he and Sven headed for home. When Olaf arrived back at the family farm, he asked his grandmother for an explanation. "Grandma, why can I not walk on water like my father, and his father, and his father before him?" The feeble old grandmother took Olaf by the hands, looked into his eyes, and explained, "That's because your father, grandfather, and great-grandfather were born in January... you were born in July, dear."

This is an exciting opportunity for us as a Trinity family to financially support our church using similar means as we pay for our groceries, gas, and other bills. Today few of us carry cash or even a checkbook. In the pews are blue cards with information regarding online giving. Once you set up the texting or mobile app but you are feeling uncomfortable not putting anything in the offering plate; Please pick up at the Welcome Center an “I give online” card. Yes, cash and checks can still be used. If you have been using “The Simply Giving” program; you can still use that method as there are no changes to those on the program. Please, remember your church family with your gifts using either the texting or mobile app. **Bless you all in stewardship of your financial resources.**
